PARKING RULES & ETIQUETTE

- **Dedicated Spot:** Please Park only in designated Parking area.
- **Guest Parking:** If you have a second car or visitors, please contact us first. Limited unmarked guest parking may be available at the rear of the compound, subject to prior approval.
- **Clear the Lane:** Ensure your vehicle is fully within the marked lines of your bay to keep the access lane clear for other residents.
- **No Blocking:** Never Park in front of the gate or in the driveway.
- **Security:** Always lock your vehicle and do not leave valuables visible inside. The compound is guarded, but vigilance is your first line of defense.
- **Quiet Hours:** Please avoid unnecessary revving of engines or loud music in the compound, especially between 10:00 PM and 7:00 AM.

FOR LARGER VEHICLES

The gate and access lane can accommodate standard SUVs and 4x4s (e.g., Toyota Prado, Land Cruiser). If you are driving a very large truck or overland vehicle, please inform us in advance so we can advise on the best parking solution.
